Campbell Women Plan Long Tour

Campbellites abroad this Fall will be Mrs. Lillian Ohlen and Mrs. Marion Paice, both of Wedgewood Avenue. The ladies are planning a tour that will be leisurely, extensive and exciting.

On September 14 they will board the "Vista Dome" Zephyr for New York, where they will arrive on the 17th. After seeing New York, including Radio City, for two days, they will embark on the new liner, the "United States" for the British Isles. This is the largest ship yet built in our country, and is faster than the Queen ships of England. The Mesdames Paice and Ohlen look forward to a luxurious and delightful crossing.

In England the ladies will visit with their many relatives—Mrs. Ohlen in Penroth in Northern England near the Scottish border, and Mrs. Paice in the environs of London. They plan a trip to Penzance in Cornwall, 300 miles from London, and will take Cook's tours whenever their fancy dictates.

Mrs. Paice spent her honeymoon in 1924, in England, but has not since returned and is eager to renew acquaintance with members of her family. Her mother was of English birth and came to the United States in her youth; she married in San Francisco. Mrs. Ohlen's parentage is similar to Mrs. Paice's.

A flight to Paris is on the program for the peregrinating Campbell residents, but arrangements for this are to be made later. At least a week, they say, will be spent in the French capital, where they will try to see everything of note, the Louve, the Latin Quarter, the Arc de Triomphe, everything!

As they have nine months to travel about as they please, Mesdames Paice and Ohlen expect to spend about three months abroad, then to return to New York by liner and journey through the southern states. From New Orleans they will take the Sunset Limited westward, and though they might linger longer, they foresee that the Christmas season will probably lure them home.

The fortunate voyagers have been friends since they met in Sna Francisco in their freshman year in high school.

Service Club To Hold Annual Thrift Sale

Women's Service Club of Campbell will hold a thrift sale on the 15th and 16th of this month, to raise money for club functions for the coming season.

'ALUMNI'

By Jean Standish

(Readers are invited to contribute to this column.)

Mrs. Margaret Wilson of West Parr Avenue, who grew up in Edinburgh and spent her summers at the Firth and Forth, and whose accent has a charming "kilt" in it, is a lady of many qualities and talents. Though she is a nurse at the Santa Clara County Hospital, Mrs. Wilson finds time for extensive renovation and beautification of her home and for countless visits of comfort and cheer to shut-ins.

Among Mrs. Wilson's achievements is the rearing of two alumnae of Campbell Union High school who, like their mother, are talented.

Muriel Wilson was Dramatics Editor on the "Oriole" staff of 1932, the year of her commencement. She sang a role in the school operetta, "The Magic Maker" that year, and a role in the 1931 presentation as well. The "Oriole" Razzoscope predicted that she would be an opera singer.

Muriel worked after graduation from CUHS for the Ainsley Bulb Exporting Company of Campbell until she became Mrs. Walter Jordan. The Jordans have three sons, Bruce, 10; Craig, 9; and Grant, 5. Mr. Jordan is a newspaper pressman, employed in San Francisco. During his vacations he and his family visit Muriel's mother and sister here or stay at the Jordans' Lake County summer home, especially during deer season. They plan some day to have a resort lodge there.

Esther Wilson was graduated from CUHS in 1938 and thereafter worked for the Department of Agriculture and was secretary to the commanding officer of Mills Field, AAF, during World War II. She is now maried to L. W. (Bill) Hanson, who is employed by the Electronics Laboratory at Stanford University. Bradley Hanson, six-year-old student at San Tomas school, completes the family.

Esther is president of the San Tomas PTA, secretary of the Congregational Church, and until recently she was a member of the PTA Mothersingers and a member of the Congregational Church choir. Usually Esther has art projects under way besides her musical activities.

With Albert Smith and Mrs. Charles Boyd (Betty Lester), Mrs. L. W. Hanson is currently planning a reunion of the CUHS class of '38, to be held in 1954. The class last met in San Jose in 1950.

"A thing divine, for nothing natural was ever seen so noble," effused the 'Oriole' of 1931, speaking of Barton Wood and meaning it, too. Barton held several class offices and portrayed a part in the senior play. Always a man of letters, Barton distinguished himself as a writer at San Jose State College, where he met Ethel Ruhlen, daughter of J. L. Ruhlen of Sunnyside Avenue, and married her while they were still college students. The two were members of Pegasus, State College literary society. Barton later attended the University of California and now teaches English at the Sutter Creek High school. The Woods live in Amador City, in the heart of the Mother Lode country. Robin Eugene, 11, and Kristen Elizabeth, 8, are other important members of the family.

Barton's parents are Mr. and Mrs. R. E. Wood now of Gilroy, but formerly Campbell ranchers.

Not everyone knows of the recent doings of a favorite Campbell man, newly-commissioned Second Lieutenant John F. Kwasigroch, 20, son of Mr. and Mrs. John R. Kwasigroch, 71 Hardy Avenue.

Kwasigroch, who graduated from Santa Clara University last June 14, was master of ceremonies at the ROTC graduation exercises when he received his gold bars pinned on by his mother.

Following graduation, he was assigned to Artillery School at Fort Sill, Oklahoma, leaving this city on the 4th of July.

Kwasigroch majored in Philosophy at Santa Clara, having won a Phelan scholarship for character, honesty, loyalty and cooperation.

He had formerly attended Quigley Seminary, at Chicago.

One of his first loves is the study of languages and he has more than a passing acquaintance in English, French, German. He has studied Greek for the past five years. He is presently attempting to enter an army language school at the completion of his artillery training at Fort Sill, where he is assistant student battery commander.

According to his mother, Lt. Kwasigroch paid for his entire education himself, by working after school hours at odd jobs.

He was a devout attendant of St. Lucy's Church in Campbell and used to conduct regular Sunday school classes.

He has two sisters, Marilyn, who works for Doctor-Councilman J. Frederic Snyder in Campbell, and a married sister, Mrs. Lorraine Weslow, mother of two girls and a boy, Linda, Lisbeth Ann, and James Christopher, who live in Cambrian Park.

ANYBODY SEEN ANY SAUCERS AROUND HERE?

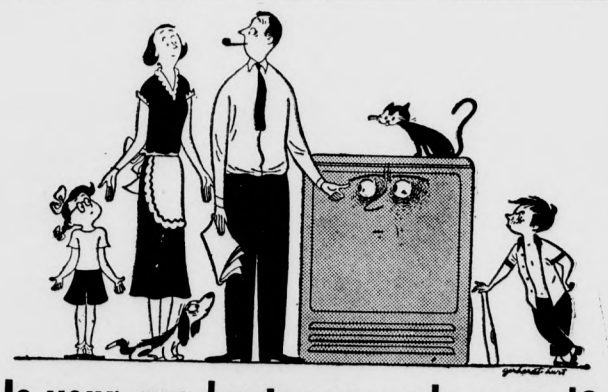
To the best of our knowledge, no one in the Campbell area has seen any flying saucers, but you better start looking because everybody is "getting into the act."

Maybe the mysterious discs don't exist but they sure get around a lot. The U.S. Air Force says that more of them were reported in July than in any other month on record. No less than 114 written accounts of what was seen have been turned in.

In addition, there were hundreds of oral reports and sightings which weren't given in detail.

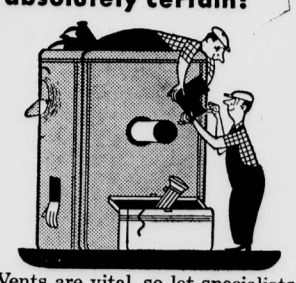
Lately, the saucers have taken on more substance by appearing on radar screens and the Air Force is no longer passing them off as figments of the imagination. The swiftest jet planes sent up to pursue them however, haven't come back with anything tangible yet.

A few experts seriously believe these phenomena to be space ships from other planets such as Mars. Could be. Maybe they were sent down to get a first hand report on the conventions. The noise was probably heard on Mars.

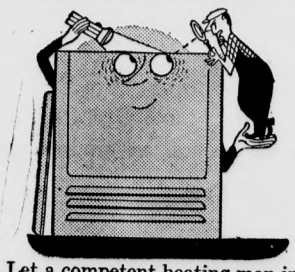


Is your gas heater properly vented?
Now is the time to make absolutely certain!

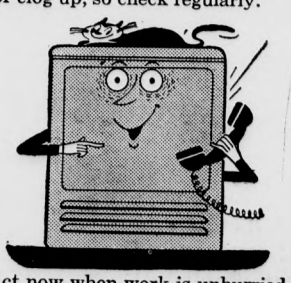
This gas heater vent pipe carries waste gases and fumes outside your home, makes heat safe.



Vents are vital, so let specialists install them. They can rust out or clog up, so check regularly.



Let a competent heating man inspect your entire heating system before winter sets in.



Act now when work is unhurried and prices attractive. Easy terms are available, too.

Call your heating contractor today!
Summer is the best time to have obsolete or inadequate heating equipment replaced. Gas is cheap—why not enjoy it at its best with good equipment...in good condition.

CAMPBELL REGISTER

At Camp Westahi in Big Basin, for the Camp Fire Girls summer session, JIMMIE LEE PROUT and DONNA LENZ were among Campbell maids who joined in songfests and dramatic doings.

Campbell adult leaders of Campfire Girls played a large part in the establishment of the Big Basin camp. Miss PHILOMA GOLDSWORTHY in 1919 took her group of girls from Cambrian School to Big Basin for a week.

In 1925 Mrs. JESSIE SHELLEY, executive director of Camp Fire Girls, was instrumental in founding Camp Westahi, and the camp has been used every summer since then. Mrs. Shelley remembers that in the early days of the camp there were others close to Westahi, including Sky Meadow, Shadow Brook and a large regional girl scout camp, which have all either disappeared or diminished while Camp Wastahi has flourished like the proverbial green bay tree. Mrs. Shelley believes that the real love and public service of the camp's many founders gave it roots from which it could but grow and continue to grow. Members of service clubs and others donated days of work to the improvement of facilities and to supervision and instruction of the girls. Some clubs gave "campships" to worthy girls, so that they might attend the summer sessions. In 1929 the Kiwanis Club of Campbell installed a hot water system. The late Senator Phelan also contributed funds.

This summer one of the junior councillors of Westahi is Miss ELIZABETH RIBBLE, whose mother, as Miss ELIZABETH TURNER, led a group of Camp Fire Girls in Campbell years ago, as Mrs. Shelley recalls. Later Miss Turner taught school in Manteca and had a group of Camp Fire Girls there; she brought them to Camp Wastahi not long after its inception.

Among the Santa Clara County Camp Fire Girls leaders attending "Leaders' Day" at Camp Wastahi was Mrs. HARRY SMITH of Sunnyside Avenue. The leaders were conducted on a tour of the camp, including the just completed building which houses a modern kitchen and a large living room with a fire place. Leaders also joined the girls in the camp routine, partaking of a delicious lunch at noon, sharing a rest period, a hike and an interesting hour in the "Tinker Shop", where the girls are taught numerous handicrafts.

McKENSIE-VINING WEDDING UNITES CAMPBELL RESIDENTS

A quiet wedding ceremony in the parsonage of the Campbell Congregational Church Saturday united James Warren McKensie and Clarabelle Vining, both residents of Campbell.

The bride was formerly in the employ of Fred M. Drew Canners, at their home in San Jose.

Rev. Corwin Olds performed the simple wedding rites, witnessed by Mrs. Corwin Olds, and Mrs. Dorothy Palmar Trevethan, City Clerk of the City of Campbell.

After the ceremony the couple joined Mrs. Jessie Campbell and friends at the Campbell home, 47 South Second street, for a quiet gathering and accepted the well wishes of friends and relatives.

Following a short honeymoon at Carmel the newly-weds are now at home in their 56 North Second street home.

HOLIDAYS AT FORT BRAGG

MELANIE, daughter of Lt and Mrs. JOSEPH G. OSWALD, recently of Fort Bragg, North Carolina, is having a lovely holiday with her grandparents, Mr. and Mrs. JOHN B. PROLO of Robin Lane. Melanie and her parents arrived a week ago Wednesday, just in time to celebrate her first birthday anniversary. The Oswalds came by way of Yellowstone Park, were caught in a storm and were very happy to reach the Prolos' rose-bordered home.

Melanie's mother, AUDREY, left Friday for Camp Nawakwa (Center of the Forest), where she will serve in an executive capacity until mid-August. Mrs. Oswald was formerly a Girl Scout leader in the Hayward area. Melanie's father is working at Hathaway's and has been accepted as a candidate for the degree of Ph. D. by the History Department of Stanford. The Oswalds will move to Palo Alto in the Fall, when Lt Oswald's academic work will begin.

Meantime, Melanie keeps her grandparents very busy and very happy.

PADDLE HANDBALL KEEPS PEEWEES BUSY AT SAN TOMAS PLAYGROUND

The Pee Wee Division had two handball tournaments at San Tomas during the week. Tommy Garner was champion and Kenneth Dietsch was runner up at the beginning of the week. As the week drew to a close Leonard Howell emerged as champion and Tommy Garner placed second. Handball has been modified for the children so they use paddles and a tennis ball. The game is easy to play and developes many fundamental active physical skills.

Four Square Ball was one of the best liked of the new games that were introduced during the week. Everyone enjoyed the game including the smallest entrant, to Mr. Morway, the director.

Nature Week at San Tomas School proved very successful because of the children's enthusiastic interest and cooperation, and the ideal location of the school which permitted the group to go on several nature hikes.

Items collected were classified and exhibited upon the nature tables. The contest of the week was a tremendous test upon the childrens knowledge of the different items found upon the hikes. Winners in the "You Name It" contest were:

OLDER DIVISION

Kenneth Dietsch (perfect score), Saidee McGahey, Wayne Bondgard, Leonard Howell, Rochelle Greason, Tommy Howell, and Gus Fishburn. Honorable mention—Evelyn Lopez, John Howell, Kathy Bascomb, Ken Heide, Kay Fishburn, Joyce Powell, Karen Ransford, and Lanette Duus.

YOUNGER DIVISION

Shep Pinney (perfect score), Marilyn McKee and Bobby Pinney. Honorable mention—Nancy Scales, Judy Summers, Aly Fishburn, and Trina Morgan.

Candy and recreation department ribbons were given as prizes. Mrs. Powell kindly helped with prizes.

Last week was Pet Week at San Tomas School. Games and crafts will center around the animal pictures and stories. Movies about animals will be shown. Care and the training of animals will also be stressed. Wednesday at 2:00 p.m. a pet show will be a special feature (all pets will be leashed, in cages, or suitable pens or boxes before they will be entered). Parents are invited. Prizes will be given in the different classifications of pets and for such items as: best dressed pet, most comical looking, prettiest, most obedient, best trained, most unusual, cleanest, and smallest.

A contest this week is "What Animal Is It?" This contest closes Thursday with the winners and ceremonies taking place Friday at 12:30.

Parents and neighbors are invited and encouraged to attend these two special events this week. Pet is 2:00 p.m. Wednesday and What It It? contest Friday at 12:30 p.m.

DAD LEE'S 95TH BIRTHDAY
By JOHN R. LYNDEN

On Campbell Streets again we find
Dad Lee returned with tall tales of the past,
The years gone by to him more kind,
As five and ninety summers passed.

Dad looks, and feels and seems so spry
No telling how many more days
Thru Campbell streets he'll walk an try
To make a record none can face.
Dad's goal is set for one hundred-eight
When Thirteen more years are gone
And he arrives at this far date.
He'll set his aim still farther on.

So Here's good wishes to Dad Lee,
That all his hopes he'll live to see,
He sets for us a way that we
May try to find long life like he.
